INSTRUCTORS & SAFETY

DHM
SURF CAMP

At DHM Surf Camp, our team of professional ISA certified surf instructors brings world-class expertise to every lesson. Their certification ensures that you receive instruction grounded in internationally recognized standards, giving you confidence from your very first wave.

We keep our group sizes intentionally small to provide each surfer with personalized attention and tailored feedback. Whether you're a first-time beginner or looking to refine your technique, our instructors adapt to your pace and goals.

Safety is at the heart of everything we do. Our instructors are trained not only in surf technique but also in ocean safety and first aid, creating a learning environment where you can progress with confidence. At DHM, fun and safety always go hand in hand.
